

SPONSORED VINES

Our sponsored vine scheme is a means by which you can provide financial support for the work that we do. Our vineyard, one of the few that are registered organic in the UK provides valuable therapeutic activities for people suffering from mental health problems.

Sponsoring a vine costs £10 which goes towards the cost of running our organisation. In return for this the sponsor gets one free bottle of wine and copies of any newsletters from Bridewell.

If you would like to help our work please complete the details below and return with a cheque for £10 (or multiple thereof) to: Bridewell Organic Gardens, 33a High Street, Witney, Oxon OX28 6HP.

I would like to sponsor () vines in Bridewell's vineyard. I enclose a cheque for £

Cheques should be made payable to Bridewell Organic Gardens
